AFP San Diego Named Prestigious 10 Star Chapter

**Upcoming
Events:**

The Association of Fundraising Professionals San Diego Chapter has been named a 2017 Ten Star Chapter based on performance and membership size. Every year, AFPI honors chapters for achieving goals that align with key objectives in its long-range strategic plan. Our chapter has grown to more than 375 members.

“Congratulation to the San Diego chapter, which is playing a major role in promoting ethical and effective fundraising and educating the public about the importance of philanthropy and wise giving,” said Jason Lee, Interim president and CEO of AFP.

Criteria for the award are determined by AFP International Headquarters, which annually establishes goals based on performance, membership, and outcomes in achieving respective chapters’ strategic goals. These include philanthropic endeavors, quality education, inclusion, student outreach, advocacy and ethics.
